Weight:	Estimated 950-1100lbs
Head Pressure:	Estimated 400-600lbs
Heads:	4x 12"

SVX-3A VACUUM

The SVX3A is the most advanced dust collector available. The easy to maintain system automatically cleans the filters allowing for continuous working time, and long term durability. The infinity bag dust collection system minimizes operator exposure to collected dust particles. The SVX3A utilizes a front basket for storage of tools and accessories. The hose attaches to the vacuum using a camlock system creating sturdy connection
