

2022 TECHNICAL RESOURCE DIRECTORY

The Technical Resource Directory was developed to provide the flooring industry with direct technical support contacts, including phone numbers, website, and email addresses for floor covering manufacturers, distributors and consultants in one location. Visit www.fcica.com for the most up-to-date directory information. Thank you to our directory sponsor, Synergy Flooring Ltd.

THIS IS MY STORY

**FLOOR COVERING
INDUSTRY FOUNDATION**

— *The Heart of Flooring*

“Without FCIF, I would not have been able to make it. The grant helped my family with household bills, plus gas to and from my doctor appointments.”

MEET TERESA AND JAMES

“This grant saved my home, lowered my stress level, and gave me peace of mind. If it were not for the grant, I might have been homeless.”

MEET MELISSA

“There are very few industries that have a non-profit organization dedicated to giving back to workers who have been critically injured on the job or have suffered some other hardship.”

MEET MAX

KOVARA® Floor Moisture Barriers

Superior flooring protection that installs in hours.

Protecting commercial building flooring from moisture and alkalinity.

- Reduces installation time with peel-and-stick application
- Supports heavy floor traffic and rolling loads
- Suitable for use up to 99.5% relative humidity
- No epoxy or shot blasting used
